

Sage ACT!

Sage ACT! Hosted Brings the #1 Contact & Customer Manager to the Cloud

The #1 selling Contact and Customer Manager used by millions is now available conveniently in the Cloud, giving businesses and sales teams, like yours, on-demand access to Sage ACT! Premium. With Sage ACT! Hosted, all you need is connectivity to the web and you have access to the contact and calendar details you rely on to build the long-lasting, profitable relationships that keep your business thriving.

While we take care of the hosting, you still own your data and have access to a complete copy of your database at any time. Your subscription to Sage ACT! Hosted gives you access to our experts, including technical support. Best part, no setup, installs, or upgrades to fuss with, because we take care of the network infrastructure and ensure you're always on the latest version of Sage ACT! Premium.

On-demand Access to Your Contacts and Calendar

A subscription to Sage ACT! Hosted means you and the members of your team can login to Sage ACT! Premium from virtually anywhere, so you can view and update contact and calendar details on-demand. Whether you're working from the road, your main office, or remote locations, you and your team have access to the same important relationship details—contact information, calendars and activities, opportunities, groups and companies—so you're always on the same page, even if you're not in the same location. To learn more about Sage ACT! Premium, visit www.act.com/premium.

Need offline access too? No problem. An offline client / Windows® option is available for mobile users who require access to contact and calendar details when a connection to the web is unavailable¹.

Technical Details Covered by Sage ACT! Experts

Because we take care of the technical nuts and bolts, you can forget about additional hardware needs or complex configuration. You also benefit from our secure, state-of-the-art data center that's monitored 24/7, and we handle the ongoing maintenance and perform nightly back-ups, so you can rest-assured your valuable relationships details are in good hands. If you happen to need technical support along the way, it's included with your subscription.

Minimal Start-up Costs to Go Live

Minimal start-up costs are required to go live, because we've included what you need to get started successfully in the cost of your subscription. Our subscription billing also allows you to pay-as-you-go so you can begin managing your contacts and calendar for less than \$2 per user, per day.

Why choose Sage ACT! Hosted?

On-demand access | Technical details covered | Minimal start-up costs | Specialized support services

Specialized Support Services Available to You

Should you require additional help, specialized support services are available to ensure you and your team's experience with Sage ACT! Hosted is worry-free. These services include:

Offline Setup Assistance¹: Consider scheduling an appointment with one of our technicians to connect to your PC and personally setup your offline client database. Offline setup assistance includes installation of Sage ACT! Premium, installation and testing of Sage ACT! Premium remote database synchronization, and integration with Microsoft® Outlook®.

Data Import¹: We can help you with basic data import, including existing Sage ACT! databases, Excel® spreadsheets, .csv files, and Outlook .pst files. Conversion of one Sage ACT! database is included with Sage ACT! Hosted at the time of setup.

Specialized Training¹: Get your team up and running successfully with our live web-based training. Training sessions are private and may be customized to meet your specific needs.

Customization¹: If your needs extend beyond setup and training, we're here to make Sage ACT! Premium fit the way you run your business with database customizations.
