

Getting Started with Etsy

*Start connecting in a few
simple steps!*

Connect with Etsy and when orders are submitted to your online store, those details are automatically sent to the contact record in Act! Premium. View the order ID, quantity and price of items ordered, and order total. Use that info to boost your sales and marketing efforts!

Step 1.

Create an Element Connect account [here](#).

Password

Create my account

Step 2.

Connect your account by clicking the Act! logo, then enter your base URL, username, password, & database name. For Web users, the base URL is the URL you use to access your database, excluding info after .com. For Windows users, find this URL at the top of the Act! Connect page in-product.

Next, click the Etsy logo to enter your username, API path, & API token. Find them [here](#).
