Monday-Friday | 9:00am-5pm (UK time)

1 Importing Data

To get started, you will first need to add contacts and records to your Act! database. To import data to Act! from another source, use one of the icons located at the top of the Welcome screen.

2 Creating New Contacts

You can also create new Contacts in Act! by clicking on the Contacts button in the blue menu on the left side of your screen.

1. Click **Contacts**
2. Click **New** in the upper right corner
3. Enter Contact Name & remaining fields
4. Click **Save**.

3 Creating Groups

You can organise similar contacts into Groups for targeted communications or sales initiatives.

1. Click **Groups** in the left navigation menu
2. Click **New** in the upper right corner
3. Add a group name and description
4. Click **New** to create a new group

Create groups to send emails to in Act! Marketing Automation.

4 Creating Opportunities

Opportunities help you track and close sales and manage your team's workload. Assign products and services to each opportunity to monitor your forecast.

1. Click **Opportunities** in the left navigation menu
2. Click **New** in the upper right corner
3. Enter opportunity details
4. Click **Products/Services**.
5. Click **Add Product**.
6. Fill in the necessary fields, then click **OK**.

Opportunity KPIs									
	OPEN VALUE (TOTAL)	OPEN VALUE (WEIGHTED)	FORECASTED VALUE	CLOSE RATE	OPEN COUNT
