Monday-Friday | 9:00am-5pm (UK time)

1 Importing Data

Your trial contains sample contacts to help you explore Act! more easily. However, if you prefer to add your own contacts, you can simply click on “**Remove Demo Data**” and import data to Act! from another source, by using one of the icons at the top of the Welcome screen.

2 Creating New Contacts

You can also create new Contacts in Act! by clicking on the Contacts button in the blue menu on the left side of your screen.

1. Click **Contacts**
2. Click **New** in the upper right corner
3. Enter Contact Name & remaining fields
4. Click **Save**.

3 Creating Groups

You can organise similar contacts into Groups for targeted communications or sales initiatives.

1. Click **Groups** in the left navigation menu
2. Click **New** in the upper right corner
3. Add a group name and description
4. Click **New** to create a new group

Create groups to send emails to in Act! Marketing Automation.

4 Creating Opportunities

Opportunities help you track and close sales and manage your team’s workload. Assign products and services to each opportunity to monitor your forecast.

1. Click **Opportunities** in the left navigation menu
2. Click **New** in the upper right corner
3. Enter opportunity details
4. Click **Products/Services**.
5. Click **Add Product**.
6. Fill in the necessary fields, then click **OK**.
